

COVID-19 and K-12 School Update Fall 2021/Winter 2022

Vaccination

While not required, vaccination for everyone who is eligible continues to be the most effective way to prevent COVID-19 illness and stop the spread of COVID-19.

- For COVID-19 Vaccine information visit: <https://vaccinate.iowa.gov/>

Testing

Individuals (including students, teachers, and other staff) can seek testing through their normal healthcare channels or through other sites that provide testing services (i.e., local pharmacies).

- Information about free at-home testing through SHL is available at: <https://www.testiowa.com/>

School Illness Reporting

IDPH continues to ask K-12 schools to report when >10% of students are absent due to illness. When >10% absenteeism is reported, IDPH will contact the Local Public Health (LPH) department in the county where the school administrative offices are located. Public health will contact the school to provide best practices and support tailored to the specific types of illnesses being reported.

- Schools should report >10% absenteeism at: <https://redcap.idph.state.ia.us/surveys/?s=LEFK7E779R>

Masks and Cloth Face Coverings

Update: As of 9/13, a federal judge issued a temporary restraining order against the enforcement of the provision of HF847 relating to mask requirements.

HF 847, signed by Governor Reynolds on May 20, 2021, prohibits a school district from adopting or enforcing a policy that requires employees, students, or the public to wear a mask while on school property. As such, masks must be optional for students, teachers, and visitors.

Frequently Asked Questions

Is IDPH currently performing COVID-19 positive case investigations for all positive reports or conducting contact tracing for COVID-19 exposed persons?

No. IDPH has adjusted COVID-19 surveillance to follow the influenza model; state case investigation and tracing efforts for COVID-19 now focus on outbreaks and vulnerable populations. Just like with other public health activities, these efforts will be continuously evaluated and adjusted as needed.

Will IDPH issue isolation and quarantine orders for COVID-19 positive or COVID-19 exposed students, teachers, or other staff members?

No. IDPH is not currently issuing isolation and quarantine orders for COVID-19 positive or COVID-19 exposed individuals.

Can LPH departments require schools to perform case investigations or conduct contact tracing on their behalf?

No. While some LPH are continuing to pursue case investigations, LPH cannot require schools to perform case

investigations or contact tracing. School nurses do have a legal duty to assist a local board of health in a disease investigation. See 641 IAC 1.7.

Can Iowa schools require that masks be worn by students, teachers, other staff members, and visitors?

No. HF 847, signed by Governor Reynolds on May 20, 2021, prohibits a school district from adopting or enforcing a policy that requires employees, students, or the public to wear a mask while on school property.

Update: As of 9/13/2021, a federal judge issued a temporary restraining order against the enforcement of the provision of HF847 relating to mask requirements.

Can schools allow students, teachers, staff members, and visitors to voluntarily wear a mask?

Yes. Schools should allow students, teachers, other staff members, and visitors who want to voluntarily continue to wear a cloth face covering for reasons that make sense for their family or individual health condition to do so.

Does the CDC mask order for public transportation apply to school buses?

Yes. The CDC issued an Order effective February 1, 2021, imposing a requirement for persons to wear masks while on public transportation conveyances, and in its Frequently Asked Questions document accompanying the Order the CDC indicates that “passengers and drivers must wear a mask on school buses, including on buses operated by public and private school systems, subject to the exclusions and exemptions in the CDC’s Order.” The Iowa Department of Education provided guidance to schools regarding this issue on a webinar in May 2021. School districts with additional questions about the applicability of the Order should contact their district’s legal counsel.

Can schools ask students, teachers, other staff members, or visitors for proof of COVID-19 vaccination?

No. HF 889, signed by Governor Reynolds on May 20, 2021, prohibits the mandatory disclosure of whether a person has received a COVID-19 vaccination as a condition for entry onto the premises of a governmental entity.

How long should COVID-19 infected individuals stay home?

UPDATE: As of 01/06/2022- CDC guidance states that students, teachers, or other staff members with a COVID-19 infection should stay home 5 days from symptom onset or positive test (if asymptomatic). If they are asymptomatic or their symptoms have greatly improved, they may return to school on day 6 if they wear a well-fitting mask for 5 additional days.

Children < 2 years of age, people unable to wear a mask, people who choose not to wear a mask, people with moderate or severe illness and people who are immunocompromised should isolate for 10 days.

For additional information visit: <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/quarantine-isolation-background.html>
